[Somewhere in Ireland, A  
Village is Missing an Idiot](#)

David Feherty 2013-08-27

“Golf is not a game, it’s a  
punishment.” -David Feherty

“If you’re one of those people  
who think golf is a religion,  
prepare for some seriously  
funny blasphemy.” --Troon

McAllister, author of *The  
Green Somewhere in Ireland, A  
Village is Missing an Idiot* is a  
collection of Feherty’s most  
popular Golf Magazine  
columns, intermingled with his

most outrageous work from Golfonline.com. As an added bonus, readers will be treated to some notorious pieces from his work at the British publication Golf Monthly. Edited by and with a running commentary by Feherty, and accompanied by some of the priceless letters to the editor from readers across the country and around the globe complaining about Feherty's perversity, Somewhere in Ireland is the perfect Father's Day gift for the crankiest duffer in every family.

**The 53rd Parallel** Carl Nordgren 2014-05-08 In his evocative debut novel Carl Nordgren weaves an ambitious tale about the power of dreams, the hope of new beginnings, and the dangers of ghosts who haunt our past. In The 53rd Parallel, book one of the River of Lakes series, Brian Burke emigrates from 1950s West Ireland to the wilderness of Northwest Ontario with his partner Maureen O'Toole. He's been exiled from his village, and she is running from her IRA past. The dreams of an

Ojibway clan elder bring the Irish to the sacred place on the River, where they build The Great Lodge of Innish Cove. The dreams tell of a white man who will destroy the River and another who will protect it. While the Ojibway believe Brian and Maureen are the River's guardians, Maureen's IRA connections and the construction of a pulp mill upstream threaten to destroy the newly created Eden before it even begins. Under the watchful eye of a warrior spirit, the clan and their Irish companions risk all they love to protect the River and the promises it holds for their future. The fates of the two groups will intertwine as both seek to ward off the encroachment of the modern world. In The 53rd Parallel readers will find a rich tapestry that weaves together the literary influences of such giants as Peter Matthiessen, Ken Kesey, Jack London, and Ernest Hemingway (who briefly appears in Book 2 of the River of Lakes series).

Bronwyn Long Borne

2020-02-05 Left penniless after her husband's death, Fiona Lenihan and her two children set out for California in search of a fresh start. Ten years ago Fiona fled the Irish Potato Famine. She has crossed an ocean, so why not a continent? Kier Moran is a loner with a reputation for being the best tracker, best shot, and best guide. As a favor to his aging parents, he is leading their wagon train West, to the Santa Clara Valley, known as the Valley of Heart's Delight. Kier intends to deliver his parents safely to California then resume life under the sun and stars. But meeting Fiona Lenihan threatens his simple plan.

Michael Coyne isn't sure what he's gotten himself into. Nuala Anne McGrail, that beautiful and vivacious "Celtic witch" has finally agreed to marry him. But they've barely tied the knot when Nuala's psychic "spells" begin again. Visions of a burning castle, the captain of the infamous "Black and Tan" police force, a wild woman from Chicago, and bloodshed--all somehow connected--lead the two to the remnants of a mystery long buried in the mist of Ireland's turbulent and violent past. How did Kevin O'Higgins, the murdered leader of the movement to free Ireland, die? And who among the living will do whatever it takes to keep Nuala and Dermot from finding out? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[The Billionaire Who Wasn't](#)

Conor O'Clery 2013-08-27

Chuck Feeney was born in Elizabeth, New Jersey, to a blue-collar Irish-American family during the Depression.

After service in the Korean War, he made a fortune as founder of Duty Free Shoppers, the world's largest duty-free retail chain. By 1988, he was hailed by Forbes Magazine as the twenty-fourth richest American alive. But secretly Feeney had already transferred all his wealth to his foundation, Atlantic Philanthropies. Only in 1997 when he sold his duty free interests, was he "outed" as one of the greatest and most mysterious American philanthropists in modern times. After going "underground" again, he emerged in 2005 to cooperate on a biography promoting giving while living. Now in his mid-seventies, Feeney is determined his foundation should spend down the remaining \$4 billion in his lifetime.

himself the target of an assassination attempt he stumbles onto a plot that threatens to drive a dagger into the heart of the Vatican. John Bryan And The Prophecy Of The Popes is a heart pounding thriller based around the premonitions of Saint Malachy, a 12th century Irish priest and former Archbishop of Armagh. In 1139 Malachy travelled to Rome to resolve some administrative matters with the then Pope, Innocent II. It was reported that, while in Rome, Malachy fell into a trance. During this trance he was said to have experienced a vision of the future which revealed to him the succession of 112 Popes from 1139 to the end of time. Malachy's prophecies were to have devastating consequences hundreds of years later as factions within the Vatican conspire to bring about a bloody revolution within the Church.

*The Boxer and the Blacksmith*  
Edie Cay 2021-02-01 Can  
London's lady champion fight  
for love? As London's

undefeated women's boxer, Bess Abbott has the scars—both inside and out—to prove it. But when one of her boxing students, Violet, needs protection, Bess Abbott's rock hard heart cracks open. And when a handsome blacksmith comes along, giving her compliments and treating her, well, like a woman, Bess doesn't know what to do. She's on the ropes in the face of his affections. Os Worley was a child when he became an accidental stow-away. He grew up not knowing the family or the island that inflected his accent. His only memory of his mother is a head bent, hands working a stitch, a voice humming a melody. Now that he has his own foundry, and his own apprentice, he's come to London to find the woman attached to this impression. His heart is already tempered and quenched, focused on his goal—but a lady boxer threatens to recast his love in her own image. As Os and Bess face off, will they toe the line or retreat to their corners?

The Irishman in Canada

Nicholas Flood Davin 1877

**On an Irish Island** Robert Kanigel 2013-02-26 On an Irish Island tells the remarkable story of a remote outpost nearly untouched by time in the first half of the twentieth century, and of the adventurous men and women who visited and were inspired by it. In a love letter to a vanished way of life, Robert Kanigel brings to life this wildly beautiful island, notable for the vivid communal life of its residents and the unadulterated Irish they spoke well into the twentieth century. With the Irish language rapidly disappearing, Great Blasket became a magnet for scholars, linguists, and writers during the Gaelic renaissance. As we follow these visitors—among them John Millington Synge, author of *The Playboy of the Western World*—we are captivated both by the tiny group of islanders who kept an entire country's past alive and

by their complex relationships with those who brought the island's story to the larger world.

*The Elementary School Library Collection* 1966

**Women, Crime and Punishment in Ireland** Elaine Farrell 2020-10-01 Focusing on women's relationships, decisions and agency, this is the first study of women's experiences in a nineteenth-century Irish prison for serious offenders. Showcasing the various crimes for which

women were incarcerated in the post-Famine period, from repeated theft to murder, Elaine Farrell examines inmate files in close detail in order to understand women's lives before, during and after imprisonment. By privileging case studies and individual narratives, this innovative study reveals imprisoned women's relationships with each other, with the staff employed to manage and control them, and with their relatives, spouses, children and friends who remained on the outside. In doing so, Farrell illuminates the hardships many women experienced, their poverty and survival strategies, as well as their responsibilities, obligations, and decisions. Incorporating women's own voices, gleaned from letters and prison files, this intimate insight into individual women's lives in an Irish prison sheds new light on collective female experiences across urban and rural post-Famine Ireland.

wars—and the struggle for independence—the fascinating, turbulent history of a tortured nation and its gifted people. When Shakespeare referred to England as a "jewel set in a silver sea," he could just as well have been speaking of Ireland. Not only has its luminous green landscape been the backdrop for bloody Catholic/Protestant conflict and a devastating famine, Ireland's great voices—like Joyce and Yeats—are now indelibly part of world literature. In *Irish History For Dummies*, readers will not only get a bird's-eye view of key historical events (Ten Turning Points) but, also, a detailed, chapter-by-chapter timeline of Irish history beginning with the first Stone Age farmers to the recent rise and fall of the Celtic tiger economy. In the informal, friendly *For Dummies* style, the book details historic highs like building an Irish Free State in the 1920s—and devastating lows (including the Troubles in the '60s and '70s), as well as key figures (like MP Charles Parnell and President Eamon

de Valera) central to the cause of Irish nationalism. The book also details historic artifacts, offbeat places, and little-known facts key to the life of Ireland past and present. Includes Ten Major Documents—including the Confession of St. Patrick, The Book of Kells, the Proclamation of the Irish Republic, and Ulysses Lists Ten Things the Irish Have Given the World—including Irish coffee, U.S. Presidents, the submarine, shorthand writing, and the hypodermic syringe. Details Ten Great Irish Places to Visit—including Cobh, Irish National Stud and Museum, Giants Causeway, and Derry. Includes an online cheat sheet that gives readers a robust and expanded quick reference guide to relevant dates and historical figures. Includes a Who's Who in Irish History section on *dummies.com*. With a light-hearted touch, this informative guide sheds light on how this ancient land has survived wars, invasions, uprisings, and emigration to forge a unique nation, renowned the world over for its
