The focus here is not only on effective communication, but also on simple grammar understanding, proper sentence construction, generating the right word for the right context, cultural exposure, and even tips to get the Indonesians to accept and embrace you better. It is organized to be easy, simple, concise, comprehensive and useful and yet not information dumping. Throughout the learning process, knowledge learnt will be accumulative, so you get to acquire the necessary skills to speak the language better and more effectively with every chapter of learning. Every chapter has a good mix of theory and practical, and contains common phrases that can be used immediately. Learners can immediately start to speak and communicate with the locals without having to first complete learning the whole book. *Learn Indonesian Language Phrase Book* covers: 1.Hundreds of useful Indonesian words and phrases 2.200 most common words in Indonesian 3.100 most common verbs, adjectives and nouns 4.Arranged by topic and situation for easy use and reference 5.Grammar and pronunciation guide 6.Cultural exposure and tips to be easily accepted by locals 7.Complete guide to the affixation system with clear explanation 8.Make learning simple, easy and fun with selected video clips 9.Material is arranged in a step-by-step manner. 10.Books are compact (in size) but comprehensive (in information) 11.Instructions are easy to follow and understand 12.Books can be used for self-improving or in a class learning environment 13.Good mixture of theory and practical 14.With the learning system of Language Made Easy Series, learners will learn the most important part of the language in a systematical manner, so they can apply the knowledge almost immediately

Bahasa Indonesia Yohanni Johns 1977 This two-volume set presents graded courses in Bahasa Indonesia. It is used by universities all over the world and is accessible to those who wish to master the language through self-study at the intermediate and advanced levels.

My First Book of Indonesian Words Linda Hibbs 2016-02-02 My First Book of Indonesian Words introduces Indonesian language and culture to young children in a fun, playful way. The familiar ABC rhyming structure combines with sparkling illustrations to encourage the natural ability of children to pick up new languages and vocabulary quickly. Words for things kids already know in English are joined by words specific to Indonesia, giving kids a glimpse into Indonesian life and culture. Everyday expressions—like "Apa kabar?" which means "How are you?"—give kids a chance to communicate in a meaningful way and show them that when it comes to courtesy and friendliness, other cultures have a lot in common with their own. Cultural and linguistic notes are added for the parents to enhance the Indonesian learning experience. The cheerful illustrations depict a friendly and culturally rich nation, where the people are happy to know you and to share a bit of who they are and how they live.

The Indonesian Language James N. Sneddon 2003 "This book, the first of its kind, is a historical, social, cultural and linguistic study of Indonesian. It traces the origins and pre-colonial development of the language, the emergence of Classical Malay from the fourteenth century, the choice of Malay by the nationalist movement as the national language prior to independence, the planning associated with the adoption and implementation of the language, its borrowings from other languages, its use in contemporary Indonesia and its future. The book challenges many assumptions about Indonesian, particularly countering the myth that Indonesian is a simple language."--BOOK JACKET.

Learn Indonesian Languages World 2019-01-02 Looking for a way to learn Indonesian language quickly without getting overwhelmed? Want to start speaking immediately? If you answered yes then you're in the right place. The best way to learn a language is to practise speaking regularly. The problem is most learning materials are costly and make language learning too complicated. They start off good but then advance too quickly. Just like those dreaded language classes in school. The result, nothing sinks in, you become overwhelmed and eventually stop learning. If these are problems you've faced, don't worry we're here for you. The days of difficult learning are long gone! We know the struggles of learning a new language and everything in our book is aimed to make language learning simple. We'll teach you language patterns which are actually practical and can be used to form your own sentences! No more complex learning! We keep it simple and help you progress smoothly, starting with greetings, moving to introductions, small talk and then conversations. From the very beginning you'll be learning how to speak Indonesian. And before you know it you'll be speaking like a boss! Simple, easy and incredibly helpful; you will not need another grammar book after you have begun reading this one! Learn language patterns instead of just set phrases. Allowing you to make more sentences and have longer conversations. Essential Vocabulary section with some of the most common words in Indonesian. You'll definitely find this useful! Total written in Romanji (English characters), we leave the Indonesian characters behind and solely focus on getting you to a conversational speaking level. If you think you have to spend hundreds of hours to learn a language, it's not the case. You just need the right resources to fast track your learning. So whether its for travel, speaking Indonesian for business, communicating with partner friend or family member, this book is what you need. Start today and be amazed at your progress Click download and let's start speaking Indonesian :)

Easy Indonesian Thomas G. Oey, Ph.D. 2013-05-07 This practical and concise self-study guide will help you learn Indonesian in a very short time Indonesia is the hot new Asian destination, a country where lively conversation, good humor and warm human interaction are integral parts of daily life. In addition, the Indonesian language is widely considered to be one of the easiest Asian languages for Westerners to learn. Easy Indonesian brings Indonesian language and culture alive, giving you all the basics you need to start speaking Indonesian immediately. The opening chapters introduce the essentials of pronunciation and sentence construction, with each subsequent chapter moving you forward in gradually building up your knowledge for specific situations and activities, such as making new acquaintances, going shopping, traveling around, and much more. Every chapter contains helpful information on the customs and culture of this warm and friendly country, so that you'll soon be able to read Indonesian, speak Indonesian and talk about everything from the weather to your job and home and family with ease. An extensive glossary at the back and a section on verb and noun forms are included to help you build your vocabulary and understand

the different forms that Indonesian words take. The accompanying downloadable audio gives you a solid foundation in correct pronunciation and helps you get a feel for the spoken language, so you'll be able to understand what people are saying—and participate in conversations!

Learn Indonesian - Quick / Easy / Efficient Pinhok Languages 2022-05-01 A curated Indonesian word frequency list Are you looking for unconventional ways to speed up the process of learning Indonesian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Indonesian words and phrases ordered by their frequency of use. Who this Indonesian learning book is for: This book is for beginners and intermediate learners of Indonesian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Indonesian frequency list is not for: This book is not for you if you are an advanced learner of Indonesian. In this case, please go to our website or search for our Indonesian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Indonesian learning book that guides you through the various steps of learning Indonesian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Indonesian workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250.

This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well - and that is what counts in the end.

Practical Grammar Bahasa Indonesia Rahman Syaifoel 2018-11-11 Practical grammar Bahasa Indonesia is an extended grammar resource of the national language of Indonesia. The book contains a simplified but comprehensive approach to learning and deepening the basic structure of the Indonesian language which contains a brief explanation of the rules of the language and fully illustrated with sentence elements of standard Bahasa Indonesia. The example of sentences plays an important role in this method. Users of this book can later easily reproduce these standard phrases for other purposes in another communicative environment, both in spoken and in written Indonesian. However, scientific research shows that doing and/or copying standard sentences is the most important and easiest way to learn a (new) language. The simple and clear structure of this book will help the users step by step to fully master the grammar of Indonesian. This book explains the rules and further gives a good index to find things that newcomers in the Indonesian language have problems with. At the end of each chapter there are exercises to test a newly acquired knowledge with the intention to further increase this operational knowledge of grammar, so that users can also actively use it. At the very end of the book there are answers to these exercises for control. *The Easy Way to Master the Indonesian Language* A. M. Almatier 2002

The Indonesian flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place, and can easily be taped around the room for an interactive way to learn Indonesian. The set contains a total of 64 words organized into thematic categories, including: My Family Colors Animals Food & Drink My Body Clothes Environment All of the Indonesian words are illustrated—the pictures serve as effective visual aids to help children learn and remember each word's meaning. Words often reflect cultural objects and items and can be studied in any order. Learners may focus on one theme at a time or mix them up for a little more variety. Also included in this Indonesian language learning kit is an audio CD which provides native pronunciation of the words, and sample sentences for practice—sentences that children would use in everyday life. Songs are also included on the free audio CD. Finally, the kit also includes a wall chart featuring the front of each card for kids to review and a learning guide for teachers and/or parents with tips, activities and more! This set contains the following: 64 Flash Cards (4.25" x 2.7") that get children talking—about family members, colors, animals and numbers Audio download provides native pronunciation of the Indonesian words, and sample sentences for practice—plus Indonesian to help with learning Learning Guide for Parents and Teachers, 32 pages tell you how to use the cards for most effective learning, and includes song lyrics, activities and games to play with your kids *Preston Lee's 2-in-1 Book Series! Indonesian in under 1 week? Of course you can also take your time, relax and learn at your pace. This book provides a remarkably effective method (3 times more than traditional learning) to learn Indonesian using word associations from a language you already know, "English". No more boring learning by repetition or complicated grammar, you will learn words rapidly, easily and with little practice, be speaking like a native, in no time. "My aim is to provide a method of learning which anyone can use, that not only makes words easy to remember, but is presented in a manner which is engaging, comical and highly effective. It's the method I used to learn the language and love being able to share it with you" - James The book contains everything you need to speak and write Indonesian for travelling and holidays. You'll learn the basics quickly, easily, playfully and permanently. Of course, the more you practice, the better, and with Indoglyphs, you'll be entertained while you learn. The book is structured to get the most out of using the technique of association. With some diversions for light relief and simplicity of presentation, learning becomes a joy rather than a chore. Here's a summary of what you'll find... How to get the best out of the book Here you'll learn how to use the book to best effect. What your learning style is and how to apply it to get the best out of the book. How and why it works This section explains how and why the method is so effective. See www.lingolinks.biz for more details and research results. Indonesia and its customs in brief Whenever we travel and whenever we communicate with other people, it really helps to know some of the culture so avoid those embarrassing "foot in mouth" moments. Over 400 words of Vocabulary You'll be guided through over 400 words to learn in an order specially designed to support learning (avoid confusion). Each learning set has a section to check your learning so you can review your progress. The Language structure Yes, there is some Grammar to handle, but you won't really notice. It's handled in the book using terms anyone can understand and introduced as it's needed, allowing you to concentrate on vocabulary rather than technical skills. Some useful phrases Phrases are introduced to give you practice at making sentences. This book is not intended to be a phrase book, but instead, to give you what you need to be able to make up the phrases yourself. Slang and sms speak Slang is abundant in Indonesia, especially in Jakarta. Having a background will help you navigate the most commonly used forms and give you kudos when you trip them out like a native. Also, if you do enter the realm of texting in Indonesian, this section will help you understand some of the short forms used. Practice exercises The book has plenty of exercises for you to support you in leaning from vocab to translating simple phrases. Pronunciation and alphabet This section is useful to support you in the correct pronunciation of words, especially when reading a word that you've never seen before. Some common Exotic fruits There are some amazing exotic smells and tastes to be found in Indonesia. This section introduces you to some of the fantastic fruits you will find, and be able to ask for on your travels. You will learn Indonesian much faster than conventional language courses using the technique of word association. It's easy, engaging and permanent, no more book worming with boring lists of words - Lingo Links™ sets you free to learn in your way, at your pace and with great results. www.lingolinks.biz

Learn Indonesian with Beginner Stories Kees Van Den End 2017-02-09 Do you want to learn Indonesian with real Indonesian stories? It's easy with Indonesian and interlinear English. This book contains 130+ pages of Indonesian Folk Tales with every word translated so you can keep on reading. We have added an interlinear translation to the Indonesian text. This means that the meaning of every Indonesian word is immediately accessible, which in turn will make it much easier for you to expand your Indonesian vocabulary fast. Use the following method to gain the most from this e-book. Read and re-read the stories to learn the words that occur often, then mark the words you don't know in your Kindle reader and practice those. That way you can memorize more than 1500 new Indonesian words. If you bought one of our e-books, and would like a version in pdf with different fonts, font sizes or font colors, just let us know and we'll provide you one! For example in case you need a bigger font and less words per page on your e-reader. Finally, we have a HypLern Reader App on Amazon that integrates reading with word practice, for more learning options.

Bahasa Indonesia Made Easy Haneef Khee 2012 Introductory text for learning and understanding Bahasa Indonesia for English speakers. Includes 100 of the most common verbs, 200 of the most common Indonesian words, usage of affixes, application of tenses, and introduction to compound words, and numerous exercises.

Learn Indonesian - Quick / Easy / Efficient Pinhok Languages 2019-05-14 A curated Indonesian word frequency list Are you looking for unconventional ways to speed up the process of learning Indonesian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Indonesian words and phrases ordered by their frequency of use. Who this Indonesian learning book is for: This book is for beginners and intermediate learners of Indonesian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Indonesian frequency list is not for: This book is not for you if you are an advanced learner of Indonesian. In this case, please go to our website or search for our Indonesian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Indonesian learning book that guides you through the various steps of learning Indonesian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The

strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Indonesian workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let’s for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

Indonesian Flash Cards Zane Goebel 2014-11-11 Indonesian Flash Cards is an excellent new Indonesian language learning resource for beginning students of Indonesian. Before heading out to Bali, the best way to learn Indonesian is to start practicing with these flashcards and give a boost to your Indonesian language skills. Since Indonesian uses a romanized alphabet, you can read Indonesian without learning a new alphabet or special characters. Each card features definitions, related words, sample sentences, and thematic grouping. This flash cards kit contains: 300 flash cards featuring the most commonly used words. Downloadable native speaker audio recordings of 1,200+ Indonesian words and phrases. A 32 page study booklet with sorting indexes and practice tips. Each card has one main vocabulary item and several derived words. Ideal for beginning students of Indonesian and anyone living in the country. These Indonesian flashcards are an excellent way of gradually increasing your Indonesian vocabulary. Their compact format makes them easy to carry around with you as you go about your regular routine, and you can make use of any spare minutes throughout the day to test yourself or take the next step in your Indonesian language learning. The key to building a working vocabulary is frequent exposure rather than prolonged study sessions, and with these flash cards it is easy to make good use of any odd minutes that would otherwise be wasted—on the bus, standing in line, or over a cup of coffee.

Let's Learn Indonesian Kit Linda Hibbs 2017-05-30 Let's Learn Indonesian Kit is an introductory Indonesian language learning tool especially designed to help children from preschool through early elementary level acquire basic words, phrases, and sentences in Indonesian in a fun and easy way. The Indonesian flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place, and can easily be taped around the room for an interactive way to learn Indonesian. The set contains a total of 64 words organized into thematic categories, including: My Family Colors Animals Food & Drink My Body Clothes Environment All of the Indonesian words are illustrated—the pictures serve as effective

visual aids to help children learn and remember each word's meaning. Words often reflect cultural objects and items and can be studied in any order. Learners may focus on one theme at a time or mix them up for a little more variety. Also included in this Indonesian language learning kit is an audio CD which provides native pronunciation of the words, and sample sentences for practice—sentences that children would use in everyday life. Songs are also included on the free audio CD. Finally, the kit also includes a wall chart featuring the front of each card for kids to review and a learning guide for teachers and/or parents with tips, activities and more! This set contains the following: 64 Flash Cards (4.25o x 2.7o) that get children talking—about family members, colors, animals and numbers Audio CD provides native pronunciation of the Indonesian words, and sample sentences for practice—plus Indonesian to help with learning Color Wall Chart (24o x 18o) keeps all the new vocabulary in sight Learning Guide for Parents and Teachers 32 pages tells you how to use the cards for most effective learning, and includes song lyrics, activities and games to play with your kids

Indonesian for Beginners Katherine Davidsen 2017-09-25 Selamat datang! Welcome to the Indonesian language, people, culture and nation! By completing the 12 lessons in Indonesian for Beginners, you will learn not only to understand, speak, read and write basic Indonesian, but also about many vital aspects of Indonesia's amazingly diverse culture, and about the people and places in its 17,000 islands. This course provides a gateway to understanding the language and the country and helps you to apply what you learn in a way that is relevant and meaningful to young people, as well as appropriate. The course includes reading, writing and speaking tasks based on authentic real-life materials. The passages are adapted from or inspired by a variety of sources and media (online, print, electronic, visual, etc.) from across the archipelago. They feature people from many different social and ethnic settings. This provides learners with a broad overview of contemporary Indonesia, its people and the way the language is evolving today. The course is structured around the concept of spending a year in Indonesia, experiencing different seasonal events which bring the learner on a journey. In this way, the cultural and background information become a natural part of the learner's understanding of the language and help her or him to place what they have learned into context as part of a more full narrative about life in Indonesia. Each chapter follows a similar format that contains the following elements: An introduction, with images and captions Indonesian grammar points A word bank containing essential vocabulary One or more sample conversations Listening practice And "Indonesian and me" section that uses Indonesian to talk about yourself Key questions and statements Readings Drills and exercises While this course is aimed at learners taking a classroom course, it can also be used by anyone studying Indonesian in other ways—in a high school course or as a self-study text with or without the use of a tutor.

Welcome to Indonesian Stuart Robson 2012-01-31 This is a concise and user-friendly introduction to the Indonesian language This concise book aims to introduce the reader to the Indonesian language not by creating a course, with grammar and exercises, but by describing it from various points of view, such as telling what it is related to and how it has developed, and on this basis saying where some of its words originate, as a means of familiarization with some common examples. After that, the description moves on to talk about the kinds of words one would expect to meet, and how they can be put together as sentences, before providing a few examples of journalistic prose as well as some more literary specimens, in order to give a feeling for the language. Welcome to Indonesian includes: Chapter 1: What is Indonesian? Chapter 2: Bahasa Indonesia as the National Language Chapter 3: A Historical Overview Chapter 4: The Development of Modern Indonesian Chapter 5: Indonesian and Malaysian Chapter 6: The colloquial Dimension, Influence of Dialek Jakarta Chapter 7: What is Indonesian Related to? Chapter 9: Loanwords in Indonesian Chapter 10: The Indonesian Word Chapter 11: The Indonesian Sentence Chapter 12: Journalistic Prose Chapter 13: A Literary Dimension Suggestions for Further Reading Glossary of Indonesian Words **Preston Lee's 3-in-1 Book Series! How to Master the Indonesian Language A. M. Almatsier 2007 "The author introduce colloquial Bahasa Indonesia as spoken by the average educated Indonesian in daily life, as the majority of foreigners visit Indonesia as temporary residents. In the reading section, to give readers adequate practice material, the author provides simple conversations and short passages taken from books and newspaper. Besides, to secure effective results, he advise the user of this book to use a good dictionary." - back cover.
