Contested Territories Charles Beatty-Medina 2012-09-01 A remarkable multifaceted history, *Contested Territories* examines a region that played an essential role in America's post-revolutionary expansion—the Lower Great Lakes region, once known as the Northwest Territory. As French, English, and finally American settlers moved westward and intersected with Native American communities, the ethnogeography of the region changed drastically, necessitating interactions that were not always peaceful. Using ethnohistorical methodologies, the seven essays presented here explore rapidly changing cultural dynamics in the region and reconstruct in engaging detail the political organization, economy, diplomacy, subsistence methods, religion, and kinship practices in play. With a focus on resistance, changing worldviews, and early forms of self-determination among Native Americans, *Contested Territories* demonstrates the continuous interplay between actor and agency during an important era in American history.

John Slocum and the Indian Shaker Church Robert H. Ruby 1996 This richly detailed, well-documented history describes the life of the Squaxin spiritual leader John Slocum and the growth in the Pacific Northwest of his Indian Shaker Church (not to be confused with eastern Shakerism). Students of Native American religion and Christianity will find this a moving story both of assimilation and of the curing that is the Shaker Church's reason for being. The Indian Shaker movement began in 1882 when the charismatic but dissolute Slocum had a vision after a near-death experience. Later his church was led by his wife, Mary Thompson, and early-day leaders such as Mud Bay Louis and Mud Bay Sam. Today church members continue to combine Native American styles of singing, body movement, and verbal declarations with bell ringing, songs, burning candles, and shaking in a unique curing tradition that is honored outside the church particularly for its success in teaching against the use of alcohol. Intense community support, for both leader and patient, is a focal point in the lives of Shaker Church members. Their tradition has endured despite the important differences in members' tribal backgrounds and religious viewpoints chronicled in this up-to-date account by veteran scholars Robert H. Ruby and John A. Brown, the first outsiders to have access to church records.

Bentonville Nathaniel Cheairs Hughes Jr. 2000-11-09 The battle of Bentonville, the only major Civil War battle fought in North Carolina, was the Confederacy's last attempt to stop the devastating march of William Tecumseh Sherman's army north through the Carolinas. Despite their numerical disadvantage, General Joseph E. Johnston's Confederate forces successfully ambushed one wing of Sherman's army on March 19, 1865 but were soon repulsed. For the Confederates, it was a heroic but futile effort to delay the inevitable: within a month, both Richmond and Raleigh had fallen, and Lee had surrendered.

Gettysburg, Day Three Jeffry D. Wert 2015-05-26 Jeffry D. Wert re-creates the last day of the bloody Battle of Gettysburg in astonishing detail, taking readers from Meade's council of war to the seven-hour struggle for Culp's Hill -- the most sustained combat of the entire engagement. Drawing on hundreds of sources, including more than 400 manuscript collections, he offers brief excerpts from the letters and diaries of soldiers. He also introduces heroes on both sides of the conflict -- among them General George Greene, the oldest general on the battlefield, who led the Union troops at Culp's Hill. A gripping narrative written in a fresh and lively style, *Gettysburg, Day Three* is an unforgettable rendering of an immortal day in our country's history.

Ship Ablaze Ed O'Donnell 2008-12-30 The true story of one of the greatest tragedies in New York history On June 15, 1904, the steamship General Slocum was heading from Manhattan to Long Island Sound when a fire erupted in one of the storage rooms. Faced with an untrained crew, crumbling life jackets, and inaccessible lifeboats, hundreds of terrified passengers--few of which were experienced swimmers--fled into the water. By the time the captain found a safe shore for landing, more

than 1000 people had perished. It was New York's deadliest tragedy prior to September 11, 2001. The only book available on this compelling chapter in the city's history, *Ship Ablaze* draws on firsthand accounts to examine why the death toll was so high, how the city responded, and why this event failed to achieve the infamy of the Titanic's 1912 demise or the 1911 Triangle Shirtwaist Factory fire. Masterfully capturing both the horror of the event and heroism of men, women, and children aboard the ship as the inferno spread, historian Edward T. O'Donnell brings to life a bygone community while honoring the victims of that forgotten day.

An Appointment with Somerset Maugham Richard Hauer Costa 1994

"Now, just ask yourself", Maugham said without the least suggestion of a stutter, "wouldn't it be a dreadful world if pleasure ruled?" But pleasure has ruled Richard Costa's world - the pleasure of books and their writers. In this charming and insightful reminiscence, he introduces readers to a host of literary lives that have touched him: Somerset Maugham, H. G. Wells, Malcolm Lowry, Conrad Aiken, Edmund Wilson, Kingsley Amis, Dorothy Parker, Edith Wharton, and others. The journey of the mind and heart Costa traces has some illustrious guides. Reading and re-reading the works of memorable writers of our time, interviewing them, and writing about them, he has woven literature into his life in a way that provides illumination and just plain interest for those who read the story here. In his intellectual and literary chronicle, readers will find much humor, much memory, and much food for thought.

Just One Catch Tracy Daugherty 2011-08-02 The New York Times bestselling writer Tracy Daugherty illuminates his most vital subject yet

in this first biography of the *Catch-22* author Joseph Heller Joseph Heller was a Coney Island kid, the son of Russian immigrants, who went on to great fame and fortune. His most memorable novel took its inspiration from a mission he flew over France in WWII (his plane was filled with so much shrapnel it was a wonder it stayed in the air). Heller wrote seven novels, all of which remain in print. *Something Happened* and *Good as Gold*, to name two, are still considered the epitome of satire. His life was filled with women and romantic indiscretions, but he was perhaps more famous for his friendships—he counted Mel Brooks, Zero Mostel, Carl Reiner, Kurt Vonnegut, Norman Mailer, Mario Puzo, Dustin Hoffman, Woody Allen, and many others among his confidantes. In 1981 Heller was diagnosed with Guillain-Barré Syndrome, a debilitating syndrome that could have cost him his life. Miraculously, he recovered. When he passed away in 1999 from natural causes, he left behind a body of work that continues to sell hundreds of thousands of copies a year. *Just One Catch* is the first biography of Yossarian's creator.

Loafing Along Death Valley Trails William Caruthers 2017-01-12 In 1926, on the advice of his doctor, former newspaperman William

Caruthers, whose writings appeared in most Western magazines during a career spanning more than 25 years, retired to an orange grove near Ontario, California. Once there, he would go on to spend much of his time during the next 25 years in the Death Valley region, witnessing the transition of Death Valley from a prospector's hunting ground to a mecca for winter tourists. This book, which was first published in 1951, is William Caruthers' personal narrative of the old days in Death Valley—"of people and places in Panamint Valley, the Amargosa Desert and the big sink at the bottom of America." A wonderful read.

Hoosiers and the American Story Madison, James H. 2014-10-01 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

SOMETHING HAPPENED Joseph Heller 2011-09-07 Bob Slocum was living the American dream. He had a beautiful wife, three lovely children, a nice house...and all the mistresses he desired. He had it all -- all, that is, but happiness. Slocum was discontent. Inevitably, inexorably, his discontent deteriorated into desolation until...something happened. *Something Happened* is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum's brain -- recording what is going on at the office, as well as his fantasies and memories that complete the story of his life. The result is a novel as original and memorable as his *Catch-22*.
