Good Time Girls of Colorado

Jan MacKell Collins 2019-08-22

The Centennial State had its share of working girls and madams like Mattie Silks and Jennie Rogers who remain notorious celebrities in the annals of history, but Collins also includes the stories of lesser-known women whose

roles in this illicit trade help shape our understanding of the American West.

[A History of the Comstock Silver Lode & Mines, Nevada and the Great Basin Region](#)

Dan De Quille 1889

[The Mines of Colorado](#) Ovando

James Hollister 1867

The Colorado Gold Rush, also known as the Pike's Peak Gold

Summit A Gold Rush History Of Summit County Colorado

Rush, occurred in the late 1850s. Many of those travelling West to California would have had their first experiences in the mines of Colorado.

Hollister presents an expansive history and summary of the area and those who came to mine it. He provides detailed specifics to location and quantities of minerals recovered.

Mining in Colorado Charles William Henderson 1926
Lost Ski Areas of Colorado's Central and Southern Mountains Caryn & Peter Boddie 2015 Colorado's central and southern mountains still draw droves of skiers to the slopes. However, many of the historic runs and areas that were popular over the past century--some near the current resorts of Aspen, Breckenridge, Crested Butte, Purgatory, Telluride and Vail--no longer exist. Local hills like Whittaker Ranch near Eagle featured little more than a rope tow and warming hut. Now underneath Lake Dillon, Prestrud Jump hosted tournaments where Olympian Anders Haugen

broke ski-jumping world records. From Lands End near Grand Junction to Sugarite near Trinidad, from swanky Hoosier Pass in Summit County to Stoner in Montezuma County, authors Caryn and Peter Boddie take readers on a tour of the lost ski areas of central and southern Colorado. *The Bloomsbury Review* 1981
Dillon and Silverthorne Roy Goodliffe 2009 Lake Dillon sits at almost 2 miles high in the Rocky Mountains. The dam and reservoir that produced this Summit County resort, along with Dillon Village on its shore and the town of Silverthorne just below it, are collectively one of Colorado's winter-summer fun destinations. Dillon Dam is 5,288 feet long by 231 feet high, creating a large freshwater source for the city of Denver, as well as 25 miles of scenic shoreline. The dam stores 85.5 billion gallons of water from the Snake and Blue Rivers and Ten Mile Creek. On cue, these waters rush eastward to the South Platte River Basin through the Transmontane Project, or

Summit A Gold Rush History Of Summit County Colorado

Roberts Tunnel--augered hundreds of feet under the Continental Divide in one of the West's most controversial water relocation epics. Today Dillon, Silverthorne, and the Blue River Basin on Colorado's western slope see their share of sailboating, snow and Nordic skiing, windsurfing, and snowboarding.

Hiking Colorado Maryann Gaug 2016-04-30 From mountainous trails to scenic paths, *Hiking Colorado*, Fourth Edition, provides readers with a comprehensive guide to Colorado's many hikes. With updated maps and photography, reviser Sandy Heise leads readers through Colorado's many exciting outdoor adventures. Using GPS coordinates and detailed maps of each route, *Hiking Colorado* is the most complete and accessible hiking guide available.

The Summit M. Ireland 2019-11-26 My name is Ebony Gold, the first Anubis demon to be allowed entrance back into the world that banished me two thousand years ago. I could

have slaughtered every demon in the Underworld and reaped every soul in existence for what they did to me. As part of the Guard - an extension of Lucifer's cruel hand, I was meant to wreak chaos. Until the man I thought I loved betrayed me by banishing me to earth to die. Now he's back and blackmailing me into doing his bidding in finding out which of his siblings wants to undermine Lucifer's decision in who becomes Heir to the Underworld. My fate is simple: either I die by his hand or I die protecting him. Those are my choices.

Placer Gold Deposits of Nevada Maureen G. Johnson 2011-05 A Reprint of the Original US Geological Survey Bulletin 1356. This publication is a catalog of locations, geology, and production from the placer districts of Nevada. Over 100 Nevada Placer locations covered in this publication. This book is the definitive source for placer deposits in Nevada.

Breckenridge Mary Ellen Gilliland 2009-01-01

Haunted Breckenridge Gail Westwood 2015-08-17 Ghostly tales of Colorado's colorful—and chilling—past . . . photos included! From the old gold-mining towns of Summit County to skiing destinations in Breckenridge, eerie and true tales of life and loss in the Wild West abound in this corner of Colorado. The spirit of mutilated miner William

Goodwin is said to haunt Blue River, warning of the dangers lurking below. Some say that the ghost of the widow Sylvia, who died destitute and alone at a boarding house on Main Street, still haunts the building today. Coldblooded killer Dr. Condon took revenge on his stalker and killed the town's favorite barkeeper. In this fascinating book, tour guide and author Gail Westwood explores the area's most haunted buildings and introduces the ghastly characters who seemingly never left.

The Colorado Magazine 1927 *Prayers for Sale* Sandra Dallas 2009-04-14 Set in the high country of Colorado during the Depression, this is the story of an unforgettable friendship between two women--eighty-six-year-old Hennie Comfort and seventeen-year-old Nit Spindle--and the deepest hardships and darkest secrets they shared

Finding Gold in Colorado - Prospector's Edition Kevin Singel 2018-05-26 Travel guide book inspired by the gold

Summit A Gold Rush History Of Summit County Colorado

prospecting origin of Colorado. Includes touring information on all the major towns founded as gold mining camps as well as summaries of each town's origin story. Includes reviews and recommendations on historic districts to visit, mines to tour, driving tours of ghost towns and places to gold pan. Includes information on 16 historic districts, 31 museums, 18 mines, 186 gold panning sites across the state of Colorado. Thoroughly researched to confirm public access to the panning sites (no private property or areas subject to mining claim has been included - unlike other books.)Written by a long-time Colorado resident and gold prospector. Based on years of research and field work.Get your share of the gold by prospecting for it in historic, urban, and remote locations across the gold districts of Colorado.

1001 Colorado Place Names

Maxine Benson 1994 This volume discusses how place names in Colorado originated and what changes they have

undergone. 63 counties, 716 settlements and 56 fourteeners (peaks above 14,000 feet) along with other places known for their historical, geographical, geological or onomastic significance are included.

Best Outdoor Adventures

Colorado Front Range Chris Meehan 2021-05-15 Who says you have to travel far from home to go on a great hike, paddle, or bike ride? Best Outdoor Adventures Colorado Front Range details the best hikes, paddles, climbs, and mountain biking routes within a few hour's drive of the Denver metro area, perfect for the urban dweller and suburbanite who may be hard-pressed to find great outdoor activities close to home. This guide not only include the best mountain biking, hiking, and paddling, but also rock climbing and zip-lining-- perfect for families!

Colorado with this new, enlarged edition of A COLORADO HISTORY. For fifty years, the authors of this preeminent resource have led readers on an extraordinary exploration of how the state has changed—and how it has stayed the same. From the arrival of Paleo-Indians in the Mesa Verde region to the fast pace of the twenty-first century, A COLORADO HISTORY covers the political, economic, cultural, and environmental issues, along with the fascinating events and characters, that have shaped this dynamic state. In print for fifty years, this distinctive examination of the Centennial State is a must-read for history buffs, students, researchers—or anyone—interested in the remarkable place called Colorado.

Thar's Gold in Them Thar' Hills! 1955

Red Light Women of the Rocky Mountains Jan MacKell
2011-10-12 Throughout the

development of the American West, prostitution grew and flourished within the mining camps, small towns, and cities of the nineteenth-century Rocky Mountains. Whether escaping a bad home life, lured by false advertising, or seeking to subsidize their income, thousands of women chose or were forced to enter an industry where they faced segregation and persecution, fines and jailing, and battled the hazards of disease, drug addiction, physical abuse, pregnancy, and abortion. They dreamed of escape through marriage or retirement, but more often found relief only in death. An integral part of western history, the stories of these women continue to fascinate readers and captivate the minds of historians today. Expanding on the research she did for *Brothels, Bordellos, and Bad Girls* (UNM Press), historian Jan MacKell moves beyond the mining towns of Colorado to explore the history of prostitution in the Rocky Mountain states of Arizona, Idaho, Montana, New Mexico,

Summit A Gold Rush History Of Summit County Colorado

Utah, and Wyoming. Each state had its share of working girls and madams like Big Nose Kate or Calamity Jane who remain celebrities in the annals of history, but MacKell also includes the stories of lesser-known women whose role in this illicit trade nonetheless shaped our understanding of the American West.

Ghosts of Summit County 1986

The Summit Hiker Mary Ellen Gilliland 1983 Alpine Summit County, Colorado's high lakes and waterfalls, ghost town sites and historic high passes, plus stagecoach and narrow gauge railway routes provide destinations for 50 hiking and ski trails. Colorado Day by Day Derek Everett 2020-03-16

Copublished with History Colorado Colorado Day by Day is an engaging, this-day-in-history approach to the key figures and forces that have shaped Colorado from ancient times to the present. Historian Derek R. Everett presents a vignette for each day of the calendar year, exploring Colorado's many facets through distilled tales of people, places, events, and trends. Entries incorporate tales from each of the state's sixty-four counties and feature both well-known and obscure cultural moments, including events in Native American, African American, Asian American, Hispano, and women's history. Allowing the reader to explore the state's heritage as individual threads or as part of the greater tapestry, Colorado Day by Day recovers much lost history and will be an entertaining and useful source of lore for anyone who enjoys or is curious about Colorado history.

Ores to Metals James E. Fell, Jr. 2009-06-30 This comprehensive treatment of

Summit A Gold Rush History Of Summit County Colorado

the smelting industry of Colorado, originally published in 1979, is now back in print with a new preface by the author. Packed with fascinating statistics and mining data, *Ores to Metals* details the people, technologies, and business decisions that have shaped the smelting industry in the Rockies. Although mining holds more of the glamour for those in and interested in the minerals industry, smelters have continuously played a critical role in the industry's evolution since their introduction in Colorado in the 1860s. At that time, miners desperately needed new technology to recover gold and silver from ores resistant to milling. Beginning as small independent enterprises, progressing to larger integrated firms working in urban centers, and finally following a trend toward mergers, the entire industry was absorbed into one large holding company—the American Smelting and Refining Company. Over time, fortunes were won and lost,

business success was converted to political success, and advances were made in science and metallurgy. Drawing on archival material, Fell expertly presents the triumphs and troubles of the entrepreneurs who built one of the great industries of the West.

Map Guide to the U.S. Federal Censuses, 1790-1920 William Thorndale 1987 Genealogical research in U.S. censuses begins with identifying correct county jurisdictions. To assist in this identification, the map Guide shows all U.S. county boundaries from 1790 to 1920. On each of the nearly 400 maps the old county lines are superimposed over the modern ones to highlight the boundary changes at ten-year intervals. Accompanying each map are explanations of boundary changes, notes about the census, & locality finding keys. In addition, there are inset maps which clarify territorial lines, a state-by-state bibliography of sources, & an appendix outlining pitfalls in mapping county boundaries.

Summit A Gold Rush History Of Summit County Colorado

Finally, there is an index which lists all present day counties, plus nearly all defunct counties or counties later renamed-the most complete list of American counties ever published.
