Secrets of the Short Game Phil Mickelson 2009-10-27 From 50 yards and in, no golfer in history has demonstrated more talent, flair, creativity and precision, or generated more raw excitement, than Phil Mickelson. His ability with the sand wedge and putter are legendary not only among fans but his peers as well, and it is his skill with those clubs that is primarily responsible for his winning 34 tournaments on the PGA Tour, including three major championships. In his first-ever instruction book, Mickelson explains in detail how to master every

phase of the short game. Mickelson maintains that any golfer of average ability can become a deadly short-game player by approaching the subject with a blend of science (proper mechanics and setup) and art (imagination and feel). Mickelson does a fine job explaining both; combining the wisdom of his great teachers with his own fertile imagination, cultivated from 34 years of experimentation, trial and error. No golfer can afford to miss out on Mickelson's secrets and tips.

Henry 'Chips' Channon: The Diaries

(Volume 1) Chips Channon 2021-03-04 The Sunday Times bestselling edition of Chips Channon's remarkable diaries. Born in Chicago in 1897, 'Chips' Channon settled in England after the Great War, married into the immensely wealthy Guinness family, and served as Conservative MP for Southend-on-Sea from 1935 until his death in 1958. His career was unremarkable. His diaries are quite the opposite. Elegant, gossipy and bitchy by turns, they are the unfettered observations of a man who went everywhere and who knew everybody. Whether describing the antics of London society in the interwar years, or the growing scandal surrounding his close friends Edward VIII and Wallis Simpson during the abdication crisis, or the mood in the House of Commons in the lead up to the Munich crisis, his sense of drama and his eye for the telling detail are unmatched. These are diaries that bring a whole epoch vividly to life. A heavily abridged and censored edition of the diaries was published in 1967. Only now, sixty years after Chips's death, can an extensive text be shared.

_____ 'Chips perfectly embodied the qualities vital to the task: a capacious ear for gossip, a neat turn of phrase, a waspish desire to tell all, and easy access to the highest social circles across Europe.[...] Blending Woosterish antics with a Lady Bracknellesque capacity for acid comment. Replete with fascinating insights.' Jesse Norman, Financial Times

Harvey Penick'S Little Red Book Harvey Penick

1992-05-15 Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechnical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should "choke down" on the club for a particular shot, Harvey told him to "grip down" instead, to keep the word "choke" from entering his mind. He advises golfers to have dinner with people who are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's *Modern Fundamentals of Golf* and Tommy Armour's *How to Play Your Best Golf All the Time*.

Mukanga who even in childhood, would be moved to a different location every three to five years. Born in the British Protectorate of Uganda, the changing political and economic fortunes of his post-independence homeland and region, led to thousands of his country people to flee and go look for greener pastures all over the world. This desire for a better and safer world, is a human desire and in Europe and North America, Emmanuel found people from other countries, in pursuit of happiness. Back home, not everyone was happy to co-exist with him. Fears and intrigue led to a family split, legal battles and irreconcilable differences. He and his siblings became a pariah to be avoided like the pest, The discarded Brick. Born in 1953, near the shores of Lake Victoria in Eastern Uganda, Emmanuel N. Mukanga was plucked from his parents at the age of three and taken to the Ugandan capital, Kampala. At age six, he was taken to a primary school, near Mbale in Eastern Uganda and at age nine transferred to Entebbe, former seat of the British Protectorate Government. At thirteen, he joined a prestigious boarding secondary school, after which he went to University to study the Arts. One of the reasons Idi Amin gave for expelling the 80,000 strong Indian Community from Uganda in 1972, was that, "they were milking the cow without feeding it," which was not entirely true. He, who had no cow to milk, did not know that he too would have to leave his country of birth. He worked at Uganda Television, but in 1976, he fled Idi Amin's Uganda, starting an odyssey that would take him to over 26 countries in Africa, Europe and North America. He interacted with many cultures, however, when it came to a denigration of his culture, at home, then a clash was inevitable. This awakened in him the question, "who are you, where do you come from and what do you stand for?" Cultural clashes, intrigue and legal battles follow. He has included an epilogue reflecting on his life and existence and tracing his origins among the Samia-Luhya, astride Kenya and Uganda. He started compiling this book in May 2009 and completed it in October 2020 during the great Covid 19 pandemic, and after George Floyd said twelve times, in less than 9 minutes, "Mama, I Can't Breathe."
