Cardwell Christmas Crime Scene & Secret of Deadman's Coulee B.J.

Daniels 2016-11-22 From New York Times bestselling author B. J. Daniels come two thrilling tales of deadly secrets and lost love in the wilds of Montana. **CARDWELL CHRISTMAS CRIME SCENE** DJ Justice's world had turned upside-down. She'd believed her convict father was her only living relative. Now Walter Justice, fearing for his daughter's safety, urges her to seek out her cousins in Montana. Calling in a decades-old debt, he also enlists Beau Tanner to protect her. Trust doesn't come easy to DJ. But the warm, embracing family she finds at Cardwell ranch softens her suspicious nature. Still, she resents the bodyguard her dad foists on her, despite their fiery attraction.... Originally published in 2016. **SECRET OF DEADMAN'S COULEE** When Sheriff Carter Jackson gets the call, he embarks on an all-out search for the woman who once shared his bed—and whose memory still torments him. Finding Eve alive only intensifies his yearning. But her shocking discovery in the Missouri badlands soon thrusts her into greater peril. Eve came home to Montana to unearth her family's secrets. The dead body she found aboard a decades-old downed plane could be a vital clue. Except someone wants to keep the truth buried. Her best hope is the sensual lawman whose betrayal she can't forgive...even as reigniting passion tempts her to trust

him one last time. Originally published in 2007.

Deadman's Tome Campfire Tales Book Two Amy Grech 2017-07-17

When we were young, some of the most memorial tales were the ones that we heard over the sound of a crackling campfire. We heard stories that evoked a creeping sense of unease. We shared tales that caused our blood to run cold, skin to pour with sweat, and vision to turn shadows into ghosts. The stories in this collection are designed to do just that.

Dance Real Slow Michael Grant Jaffe 1996-04-25 "Calvin eats dirt. He never actually swallows it, just places loose clumps onto his tongue and sucks, I think....He knows better, my son, but he is still young and needs to be watched." So goes the poignant journey of discovery for Gordon Nash, a journey that began two years ago when his wife suddenly walked out on him, leaving him alone to raise their son. Calvin is now four, fragile yet stubborn, devoted to his pet, a dead Portuguese man-o-war he calls Mom. Faced daily with the struggle and joys of raising this bright little boy, Gordon learns the vast reaches of his affection and the limits of his patience. He plumbs the deep well of rage within himself, to find there disturbing echoes of his own father. And he comes to understand that nothing is as important as this complex, imperfect love—a lesson he must turn to when his wife reappears one day, threatening to turn his

and Calvin's world upside down once again.

The Dancing Dead W. E. A. van Beek 2012-06-05 Walter E. A. van Beek draws on over four decades of extensive fieldwork to offer an in-depth study of the religion of the Kapsiki/Higi, who live in the Mandara Mountains on the border between North Cameroon and Northeast Nigeria. Concentrating on ritual as the core of traditional religion, van Beek shows how Kapsiki/Higi practices have endured through the long and turbulent history of the region. Kapsiki rituals reveal a focus on two fundamental concepts: dwelling and belonging. Van Beek examines their sacrificial practices, through which the Kapsiki show a complex and pervasive connection with the Mandara Mountains, as well as the character of their relationships among themselves and with outsiders. Van Beek also explores their rituals of belonging, rites of passage which take place from birth through initiation and marriage - and even death, with the tradition of the "dancing dead," when a fully decorated corpse on the shoulders of a smith "dances" with his mourning kinsmen. The Dancing Dead is the result of the author's lifelong study of the Kapsiki/Higi. It gives a unique description of the rituals in an African traditional religion based not upon ancestors, but on a completely relational thought system, where in the end all rituals are integrated into one major cycle.

Fibonacci Tales eLBe 2016-10-31 Fibonacci Tales are fiction written in the format of the Fibonacci sequence, hence the name Fibonacci Tales. What Fibonacci did is plug a 0 and a 1 and set the rule to always add the next two numbers. Each Fibonacci Tales book has: two one-page chapters, one two-page chapter, one three-page chapter, one five-page chapter, one eight-page chapter, one thirteen-page chapter, one twenty-one-page chapter, one thirty-four-page chapter, one fifty-five-page chapter, and one eighty-nine-page chapter for a total of 232 pages per book. Fibonacci Tales are written for all ages and in paired sets of books. The first pair of Fibonacci Tales books are Fibonacci Tales Vampire Tales and Fibonacci Tales Knights Tales. The second pair of Fibonacci Tales books are Fibonacci Tales Dust Tales and Fibonacci Tales Mother Tales.

The third pair of Fibonacci Tales books will be called Fibonacci Tales Cat Tales and Fibonacci Tales Goddess Tales. These books are works in progress during mid-September 2016. The author expects to complete the third pair of Fibonacci Tales books and available around early to mid-2017. Fibonacci Tales books are designed for electronic book reading. Each pair of books includes music callouts that are essential to the stories (music has the power to calm the savage beast), and therefore, Fibonacci Tales books do not lend themselves to printed book format.

Dead Man's Quarry Robert Kline 2002-07 In the course of eight days, seven people get pulled into a mix of danger and horror as they become involved in a plot that involves hit men, dark secrets and a murky quarry that holds the key.

Anthony Mann Jeanine Basinger 2007-11-11 Classic study of a filmmaker's career, now including every Mann film. Back in print—new and expanded edition. Director of such often-revived films as Winchester '73, The Glenn Miller Story, and El Cid, Anthony Mann enjoyed a lasting and important career as one of Hollywood's premier filmmakers. Mann's Westerns, noir pictures, and epics are admired and studied by fans and scholars alike, and he was an expert in the fundamental elements of cinema (movement and placement of the camera, composition in the frame, and careful editing). Jeanine Basinger's Anthony Mann, which places the director's visual style at the center of its analysis, was among the first formal studies of any filmmaker, and it set a standard in the field over twenty-five years ago. Long out of print and much in demand, this pioneering book is now available again, featuring complete coverage of those Mann films not discussed in the original work, as well as over fifty rare film stills. Wesleyan is proud to issue this expanded edition of an essential text, making it available to new generations of filmgoers and readers.

Captain Dead Man Wendy Meadows 2022-05-30 A world-famous boat

race, heated rivalries, and a murderer determined to win at all costs. With the highly anticipated boat races right around the corner, the usually calm and cozy town of Sweetfern Harbor is bustling with summer activity. The trio of leading Captains bring with them a cohort of fans, and all three are fiercely competitive and determined to win. But when one of the Captains turns up dead inside his boat, the entire race is thrown into chaos. The organizers are adamant the race go ahead... but after a suspicious accident sinks the dead man's boat - and all of its evidence - to the bottom of the sea, Brenda soon finds herself roped into another murder investigation. With no evidence in sight and no shortage of possible saboteurs, Brenda must root out the killer who sent the late Captain to Davy Jones. Proving this crime will be no easy task, and Brenda will need to stay one step ahead if she wants the murderer to face justice... Capturing all the lighthearted mystery of a classic whodun-it adventure, Brenda's next puzzling case is a fun and cozy read that will keep you guessing until the very end. If you love to lose yourself in picturesque beachside towns, then the Sweetfern Harbor series is for you.

Slow Dance with a Dead Man Dennis J. Greza 2000-10 A contemporary novel that tracks the meandering exploits of malcontent Carl Wallington who finds himself in deep trouble with his domineering girlfriend Deborah McCaul, candidate for the U.S. House of Representatives. In the unforgiving public light of Deborah's campaign, Carl's seemingly poor judgment on the job creates a career-ending scandal he'd rather not deal with so he flees Philadelphia and the eventual consequences of his transgression. Carl's journey and purpose become increasingly blurred by alcohol and drugs and he becomes convinced that Deborah and her mob are hunting him down and closing in for their revenge. He is haunted by memories of his fatherless childhood and determined to locate the only man he could ever call "Dad." Leaving behind one undeniable clue as to his whereabouts, Carl hibernates on an Amtrak train and vanishes for twenty-four critical hours. As his friends and

enemies converge on Savannah and await his arrival, Carl—a supposed fugitive—wakes up in Orlando and receives tragic but confusing news via a nomadic old clairvoyant named Helen. He races northward to verify the validity of her claim and ultimately discovers the sordid reality of life on the run and its brutal, deadly consequences.

Dead Man's Dance Robert Ferrigno 1931

That Deadman Dance Kim Scott 2012-03-07 Set in Western Australia in the first decades of the nineteenth century, *That Deadman Dance* is a vast, gorgeous novel about the first contact between the Aboriginal Noongar people and the new European settlers. Bobby Wabalanginy is a young Noongar man, smart, resourceful, and eager to please. He befriends the European arrivals, joining them as they hunt whales, till the land, and establish their new colony. He is welcomed into a prosperous white family, and eventually finds himself falling in love with the daughter, Christine. But slowly-by design and by hazard-things begin to change. Not everyone is happy with how the colony is progressing. Livestock mysteriously start to disappear, crops are destroyed, there are "accidents" and injuries on both sides. As the Europeans impose ever-stricter rules and regulations in order to keep the peace, Bobby's Elders decide they must respond in kind, and Bobby is forced to take sides, inexorably drawn into a series of events that will forever change the future of his country. *That Deadman Dance* is inevitably tragic, as most stories of European and native contact are. But through Bobby's life, Kim Scott exuberantly explores a moment in time when things could have been different, when black and white lived together in amazement rather than fear of the other, and when the world seemed suddenly twice as large and twice as promising. At once celebratory and heartbreaking, this novel is a unique and important contribution to the literature of native experience.

Dead Man's Switch Sigmund Brouwer 2014-03-01 Sigmund Brouwer, with nearly three million books in print, will have thrill seekers of all ages on the edge of their seats with this captivating young adult novel.

When a teen boy receives a written warning from his friend to avoid his church and leave his remote island town immediately, he's terrified—his friend died weeks ago! He knows danger is up ahead when he realizes that his friend's dead man's switch computer program has been activated. Unsure who to trust, he sets out alone to unravel a dark conspiracy. Soon, the seeker soon becomes the hunted in an unknown wilderness. The only hope for escape is a trigger-happy hermit—a man with his own secrets to hide. Fiction fans who love a great mystery and the quest for justice will talk about and think about this book long after the last chapter is read.

Handbook of South American Indians: The Andean civilizations

Julian Haynes Steward 1946

Scribner's Magazine ... 1910

The Forest Dames Ada Okere Agbasimalo Ph.D 2017-07-22 Naturally talented Ada Okere Agbasimalo remains richly endowed with that incredibly fertile imagination that drives her passion to connect with her immediate environment, and weave interestingly curious scenes, into big stories. Her deep knowledge of the themes of her works, pairs up with her rare gift in creative writing, to keep her readers spellbound; as she crafts suspense upon suspense, with such masterly control that you CANNOT put down her books. In this third book of hers, where she narrates her true life experience as a teenage girl caught up in the cross fire of war, she practically brings you, quite in subdued trepidation, face to face with the situation of reality. The author holds a doctorate degree in International Relations and had been an employee, in Nigeria, of the Johns Hopkins University/Center for Communication Programs (JHU/CCP) and COMPASS; both USAID sponsored. She also had a stint with Society for Family Health (SFH). Married with four children and two grandchildren, she is widely travelled and widely read. She is also the author of "Bow You Must" and Waves of Destiny. "The Forest Dames is a pulsating story about the devastating effects of war, in which Ada Okere Agbasimalo dwells on the sordid consequences of civil war on humanity, and the tortuous effort to achieve normalcy. It features Deze, a young girl with a keen mind, who lived with her parents in a typical African

setting, and felt the pain of war. As an adult, the memories remain intact, kind of haunting her. The Forest Dames is a strident voice detailing and condemning potential malignant actions that continue to impede the development of African nations and indeed, parts of the developing world. These include wars, culture-based biases, illogical and deadly tribal hatred, wanton destruction of life and property, etc. African and world leaders, politicians, historians, students and the general public should be awakened by this book. It is a must read." Samuel Ozurumba Ejiogu Esq. The Forest Dames is: Designed to get war agitators to have a rethink. A vivid and authentic literature for post war citizens anywhere in the world, and anybody for that matter. A celebration of femininity. A motivation on how to move on. A potpourri of cruelty, resilience, ingenuity, industry, commitment, hopes and aspirations. A potent material for 'War and Gender' scholars. "The girls watched the women melt into the thick forest, through the same emergency pathway that had led them in. This time, there was no sound of water; there were no whispers, only footsteps on the path."

The Dead Hand Michael A. Kahn 2016-09-06 St Louis lawyer Rachel Gold deals with many a family drama, mostly of the dysfunctional variety. Divorce. Paternity. And death. Occasionally, all three combine into a "dead hand" trifecta, where the deceased seeks to control the living—and especially his descendants—from beyond the grave. Rachel calls them "zombies." The legal term for such inheritance plans is "the dead hand," the English translation of the Old French term "mortmain." The term refers to the attempt by wealthy individuals to exert perpetual ownership over property (and future generations) through legal documents prepared before they die. But not even the most obsessed tycoon or his skilled attorneys can foresee every future contingency. To quote the old Yiddish maxim, "Man plans, and God laughs." And angry descendants sue. It's so true. Rachel suddenly finds herself representing two women—one a young widow, one an older divorcee—in a pair of nasty zombie cases where the outcome of each hinges upon a clause in a contested estate plan. Client Cyndi Mulligan is the trophy widow of the late Bert Mulligan, a billionaire entrepreneur whose last will and

testament left his estate to Cyndi's unborn daughter. The challenge comes from Bert's angry first wife and her angrier only son. Their claim: Cyndi's daughter—born eleven months after Bert's death—cannot possibly be Bert's child. In the other case, Rachel represents Marsha Knight, the first wife of the wealthy founder of a women's lingerie manufacturer. Marsha has been sued by his young widow, who seeks to invalidate Marsha's divorce settlement and, in the process, impoverish her through invocation of the ancient and nearly inscrutable Rule Against Perpetuities. As the trial date approaches in each lawsuit, the threats to Rachel and her two clients begin to escalate. Zombies, as Rachel discovers, are hard to kill. And even worse, they can still kill—and where least expected. *The Dead Hand* is written with the verve, humor, and legal smarts that are trademark Michael Kahn.

Dead Man Dancing Marcia Talley 2013-04-01 Driving a wedge between Ruth and her fianc, Hutch, is not what Hannah intends when she recommends J & K Dance Studios to her sister. Ruth is determined to shine on her wedding day, but when stunning dance teacher Kay Giannotti greets Hutch with a kiss, its clear this isnt the first time theyve met. Talked into auditioning for *Shall We Dance?*, a TV talent show, the auditions end in tragedy. Accident or murder? Hannah is on the case . . .

Forgiving the Dead Man Walking Debbie Morris 2000-08 Robert Willie, the death-row prisoner in *Dead Man Walking*, was convicted of raping a woman who tells her story here.

Mayfield Bunny Herbert Feldman 2006-11-01 *Mayfield Bunny*, the new novel by Herbert Feldman, author of *Broken Record*, is the story of an obsessional search, architected in fantasy and self-delusion. The novels protagonist, Dr. Egon Chernel, has dedicated his unruly, anarchic life to the elimination of human blindness on Planet Earth: Chernels astonishing scientific miracle, source of a certain Nobel Prize, depends upon his uncovering and interviewing *Mayfield Bunny*, a being of unknown species and image. Chernel gathers a small band of followers, needy individuals, in search of their own slot in society, around him. Chernel, chosen as savior of the sightless, tyrannically drives his disciples through his fanatical, lunatic hunt for his Holy Grail, *Mayfield*

Bunny. *Mayfield Bunny* is absurd, surreal, but the book is, ultimately, a tragic rendering of the lethal price one pays for a life lived in fantasy and uncompromising delusion. You wont easily forget Egon Chernel and his acolytes in their quest for the mystery and essence of *Mayfield Bunny*.

American Illustrated Magazine 1879

When a Jew Dies Samuel C. Heilman 2001 "Samuel Heilman has walked the mourner's path both as an anthropologist observing the socio-cultural death practices of the Jewish community, and as a bereaved son grieving the loss of a beloved father. In the wake of his successful navigation through these two worlds—academic and personal—he presents an acute understanding of the detailed intricacies of the cycle of Jewish rituals from deathbed to burial, from mourning to memorialization. Heilman emerges from his journey through grief with a wise and seasoned appreciation of the symbols and practices which are at the foundation of Jewish life and culture. *When a Jew Dies* provides an insightful roadmap to the subtle and profound vicissitudes of grief in the Jewish tradition. For mourner and scholar alike, this is a book to be savored, a friend to walk with, a companion with which to explore the reality of the walk through the valley of the shadow of death."—Simcha Raphael, author of *Jewish Views of the Afterlife* "Heilman has an unusually keen sense of perception and ability to put everything into an almost universal, social scientific perspective while, at the same time, retaining his personal ties, thought and feelings. As in his previous work, he here examines something that almost every traditional Jew is familiar with, and gives it new perspectives and new meaning. *When a Jew Dies* includes significant discussion of prevalent customs and the Jewish bases for them. The author's particularistic-universalistic synthesis as well as his deeply-rooted, personal-scholarly synthesis set this book apart from all others."—Chaim I. Waxman, Professor of Sociology at Rutgers University and author of *America's Jews in Transition* "Heilman offers a unique synthesis of historical scholarship and ethnographic description in this rich account of the complex processes by which Judaism brings the dying to the end of life and the mourning to the end of grief and a return to life. This is, as far as I know, the only study combining the

legal-historical, social-historical, and ethnographic perspectives in a single volume. It offers a remarkable glimpse of how one sector of contemporary Jewry confronts the reality of death and transfigures it."—Martin S. Jaffee, author of *Torah in the Mouth*

Dead Men Don't Dance Margaret Chittenden 1997 For Charlie Plato, managing a country-western nightclub presents one adventure after another, especially when former TV heartthrob Zack Hunter runs for political office. When Zack's opponent turns up dead—in Zack's car trunk—Charlie does some sleuthing and finds a picture that's far from pretty.

Dead Man Waltzing Ella Barrick 2012-06-05 Bad form... When Corinne Blakely, a grande dame of international ballroom dancing, is poisoned, the dance community—including champion dancer Stacy Graysin—is left in an uproar. Corinne was penning a tell-all memoir, but now her secrets might well remain hidden, just as the killer perhaps intended. The victim's dance card was full of people who might have wanted her silenced, if not dead. But when Maurice, a ballroom instructor at Stacy's dance studio Graysin Motion, becomes the prime suspect, she has no choice but to waltz in and take the lead in another murder investigation. Clearing Maurice's name by finding the real killer is going to be harder than a running spin turn. But there's one thing Stacy knows for sure—she's not about to let the murderer dance away scot-free.

Scribner's Magazine Edward Livermore Burlingame 1910

Dead Men's Watches Hugh Hood 1995 In this tenth book in Hugh Hood's highly acclaimed series, *The New Age*, two linked novellas explore the transforming powers of love. In the first novella Matthew Goderich discovers that his late Uncle Philip has had a secret and emotionally rewarding romantic life. In the second novella Matthew nurses his childhood friend, Adam, through a long, painful, and terminal AIDS-induced illness. Matthew, in the first novella, is the detached observer and dogged detective who comes to understand love; in the

second, he finally becomes fully engaged with the emotion of loving as he rids himself of his homophobia and learns to appreciate and embrace Adam, his lifelong friend. Matthew's emotional awakening corresponds with society's growing awareness in the early 1980s of the nature and extent of the AIDS crisis. *Dead Men's Watches* continues Hugh Hood's vivid portrayal of Canadian social history and teaches us that the gift of love is all that matters in the end.
