Schools for Special Needs 2011-2012 Gabbitas 2011-10-03 Special needs provision continues to be the focus of much attention. Growing emphasis on the importance of meeting individual and often highly complex needs means that finding the right school for a child can be a complicated process. Schools for Special Needs explains the full system of special needs education in the UK, and offers parents and carers a comprehensive range of information and advice on key areas of concern, along with the details of more than 2,000 establishments. The book provides commentary from experts in all sectors of special education, and includes: advice on assessment and identification of needs, statementing and school choice; the role of the local authority; the Special Educational Needs Codes of Practice; guidance on further and higher education; and indexes listing schools according to type of need. *A General Catalog of Books Offered to the Public at the Affixed Prices* Bernard Quaritch (Firm) 1884
